Detective Report – June 2015

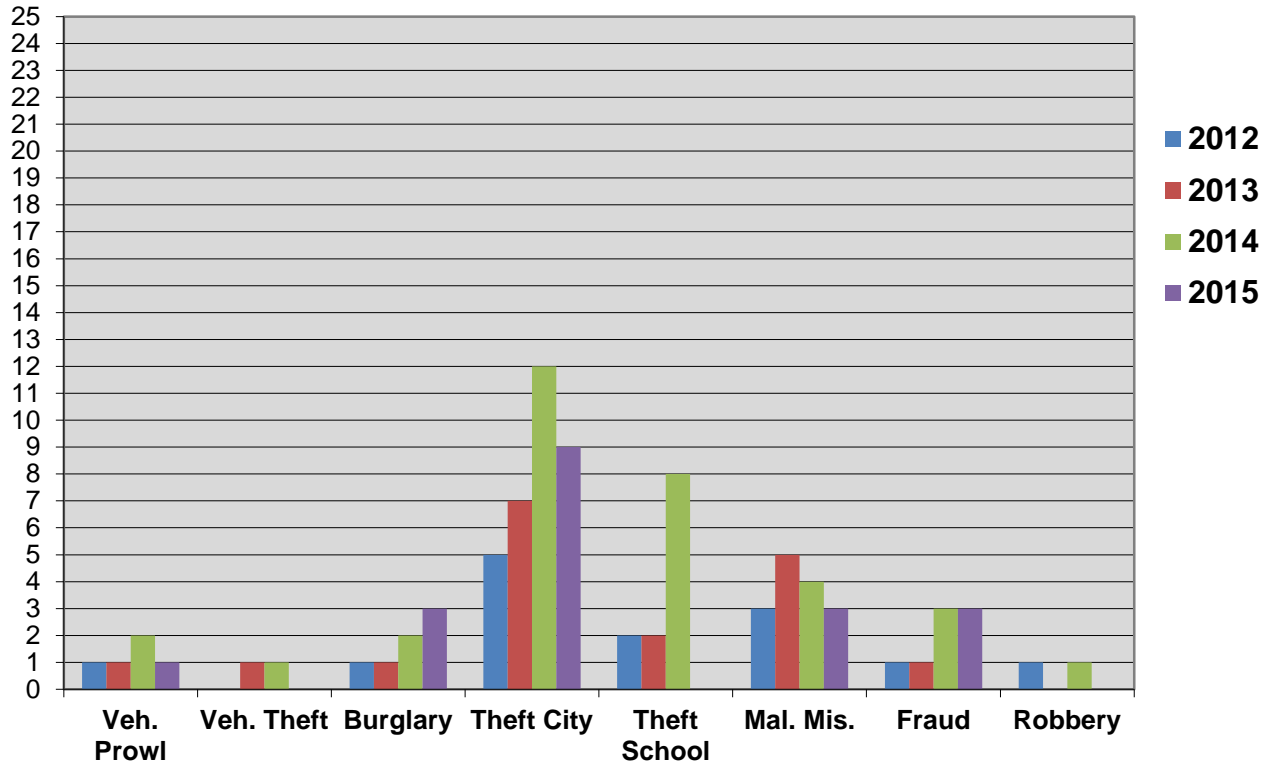

During the month of June I have been investigating the Home Invasion Robbery which occurred in the city during the month of May. With the assistance of Washington's Most Wanted I was able to identify one of the females involved in the robbery. After an extensive search on Facebook and various other LE channels including additional agencies which I reached out to for assistance, it was discovered this was not the only incident involving these individuals.

Using the above resources all four suspects in our robbery have been identified. Our victim has also positively identified the suspects using photo montages. I will continue to work with other agencies in locating the four suspects.
