Sheriff's Office Case 2020-22264 Theft First Degree

On 02-11-2020 Detective Martin met with the President of a death benefit fund associated with an organization located in the City of Stanwood. The President provided a written statement and other documents alleging the theft of approximately \$30,000.00 from the fund over the past three years. The President identified the suspect as the fund's previous Treasurer.

Detective Martin obtained bank records via search warrant from the bank holding the fund's accounts and the bank holding the suspect's accounts. Bank records confirmed unauthorized cash withdrawals from the fund's accounts in the amount of \$11,800.00 and unauthorized electronic transfers from the fund accounts into the suspect's checking account in the amount of \$11,150.00.

On 06-23-2020 Sgt. Toner and Detective Martin contacted the suspect at his home in Moses Lake. During a recorded interview, the suspect admitted to making unauthorized cash withdrawals from the fund accounts in the approximate amount of \$10,000.00 and to the unauthorized transfer of money from the fund accounts into his personal bank account.

The crime of Theft First Degree is being referred to the Prosecutor's Office.

Stanwood Police Case 2020-2637 Forgery

On 04-06-2020 Deputy Chaney contacted a citizen reference two checks that were stolen from his vehicle sometime in February or March and later forged and deposited via mobile application into a JPMorgan Chase Bank account. The checks were associated with a local sports league and written for the amounts of \$800.00 and \$900.00. JPMorgan Chase Bank allowed both checks to be deposited into the suspect's account despite the fact neither check was signed.

Detective Martin obtained records associated with the deposit transactions and suspect's account from JPMorgan Chase via search warrant. The account holder was identified as an adult female with an address in Enumclaw, WA. The account holder had the same name as listed on the "payee" line of both checks.

Detective Martin requested a copy of the suspect's Washington Driver's License from the Department of Licensing. The suspect's signature on her driver's license was consistent with the endorsement signature on the back of the forged checks.

Detective Martin attempted contact with the suspect via phone and Certified Mail with no success.
