Notification and Registration of Potentially Dangerous or Dangerous Dogs

Residents are required (SMC 08.02.400) to register any dog that has been declared a Potentially Dangerous or Dangerous Dog in Washington State by any local or county jurisdiction immediately on the next day when they are either declared Potentially Dangerous or Dangerous or upon their relocation to City limits. Any person that fails to register any dog that has been declared a Potentially Dangerous or Dangerous Dog by any Washington State County or Local jurisdiction shall be guilty of a gross misdemeanor and subject to one year in jail and a \$5,000 fine.

After paying the registration fee and registering a potentially dangerous dog with the City of Stanwood, the owners of potentially dangerous dogs labeled so by another jurisdiction based solely on breed classification alone without any aggressive acts, may request review by the Chief of Police to determine if that specific breed classified potentially dangerous dog will be considered a potentially dangerous dog for registration purposes in the City of Stanwood.
